

COMMUNITY OUTREACH SITE

IN COLLABORATION WITH

GREATER PENINSULA
WORKFORCE BOARD

GREATER PENINSULA REGION

Community Outreach Site staff are trained by Virginia Career Works – Greater Peninsula Region staff to assist those who are unemployed and underemployed with their job-search.

A Community Outreach Site is either a faith-based or community organization where people can go in their own neighborhoods or communities to look for jobs, assisted by trained individuals who connect them to the One-Stop system via computer and direct referrals. It is the collaboration of these agencies with the Greater Peninsula Workforce Board and Virginia Career Works – Greater Peninsula Region that characterizes the Community Outreach Sites as unique.

Community Outreach Sites provide customers a comfortable place to conduct their own self-directed job search activities, supported by a trained individual who can help them become more familiar with using the computer, completing job applications, creating resumes, and connecting to other services for which they may be eligible.

Locations and Site Information April 2021

Virginia Career Works – Greater Peninsula Region is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. VA Relay: 711. Funded 100% using WIOA Title I funds.
